

Simply Cool

Economical Water-Resistant Full-Size Keyboard

Sealed to protect inner components from liquids whether you are spilling or cleaning, Simply Cool takes life in stride at a price that's pain free. With no moving parts to break or fail, its rigid body stands up to rigorous cleanings. And with great tactile feedback, the keys feel good to the touch even with gloves on. Simply Cool has no annoying key clicks, which makes it ideal for library settings or anywhere noise is an issue. For reliability, performance and infection control at a value -- it just doesn't get cooler than Simply Cool.
